 Shelby McDougall just fell for the biggest con of all-a scam that risks her life and the lives of her unborn twins. Shelby McDougall, recent college graduate, is facing a mountain of student debt and carting a burden she'd like to exorcise. A Rolling Stone ad for a surrogate mother offers her a way to erase the loans and right her karmic place in the cosmos. Within a month, she's signed a contract with intended parents Jackson and Diane Entwistle, relocated to Santa Cruz, California, and started fertility treatments. But Jackson and Diane have their own secret agenda, one that has nothing to do with diapers and lullabies. With her due date looming and the clues piling up, Shelby must save herself and her twins, and outwit those who wish her ill. She learns the real meaning of the word family.
