China's media sector more emphasis on the direction of public opinion and of the press advocacy functions of the media. to the neglect of its market functions and industry functions. In fact. the media industry is a huge industry. As an industry. it is natural to have the law and the rules of the industrial development. which is our previous research is not enough. Press circles spread the word no school news. If we are limited by a variety of restrictions and constraints. this statement may be justified. When we look beyond. farther. we found that media research start-ups is actually a deep knowledge of the media. Advanced theory. there is no state-of-the-art practice. After joining the WTO. China's media industry is facing unprecedented challenges. both practical and theoretical leap all need development. Media as a country. the main carrier of the national culture and spiritual the civilization heritage means. China's media industry managers. practitioners. the Institute has the responsibility and obligation to its rightful place for the development of China's cultural media industries. Given the current domestic about domestic media case analysis monograph is yet to come. in view of the difficulty in obtaining information on foreign media. the book still groundbreaking news for media professionals. news enthusiasts can become. especially the operation and management of the news media cadres must prepare the classic. This book is the second series of media...
