### Reviews

*It is an awesome book that we have possibly go through. It is actually written in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Lotus Press Publishers & Distributors, 2007. Softcover. Book Condition: New. First edition. The world around is expanding as a result of globalization. The technology, on the other hand, is shrinking it. Such factors have made it essential for every individual aspiring to make it big in any career oriented field to have a good hold over knowledge pertaining to what has happened, what is happening and what would happen in the world around. Such a knowledge base demands a sound foundation of not just the current issues affecting the world, but also a fine understanding of the events in the past and their effect on the present is essential. The present book on Lotus General Knowledge is a sure guide to success for candidates who are preparing to appear in various competitive exams that require them to have a sound understanding of the world around and a strong knowledge base of the events that occurred not just in India, but all around the world in the past centuries. Covering various topics, including History, Geography, Science, Space, Politics, Economy, etc., the book appears as a pool of information Contents I. COMMONLY USED ABBREVIATIONS II.
