Since that time, public worship free to all has been maintained. A Religious Society has been formed, a Resident Minister chosen, a Sunday School established, and regular Sunday services have been held for ten months each year. From time to time many noted preachers and lecturers from different parts of the country have addressed the Society. Week-day meetings of an educational, philanthropic and social character have been held from six to eight months of the year, with growing influence in the community; and many civic enterprises for the betterment of the people have been aided from this centre of thought and effort. The building and endowment were the gift of James Eddy to all who desire to help carry on the work in the spirit of the Trust, of which the Society is the beneficiary. After ten years of such life and labor, it seems fitting to mark in some signal manner the decade milestone.
