Excerpt from Contributions to the History of the Development of the Human Race: Lectures and Dissertations It is a source of lively satisfaction to me to have been chosen as the medium of introducing to the English public the late lamented author of the following Lectures and Essays, one of the most original thinkers Germany has produced in recent times, and the greatest of her philologists, as he has been styled by a competent judge. But a word, I feel, is needed on behalf of myself as translator. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
