## HUMAN RESOURCES SUPPORT (FM 1-0) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This publication, Human Resources Support (FM 1-0), provides fundamental principles to help guide actions, make decisions, and establish policies in support of national objectives. Field Manual (FM) 1-0 is the Army's single source of doctrine for Human Resources (HR) Support. It describes HR doctrine and how it fits into the Army's current and future operational concept across the full spectrum of conflict. Execution of this doctrine requires well-trained, values-based Soldiers imbued in the Warrior Ethos who are capable of operating in a Joint or unified environment. FM 1-0 promotes a common understanding of HR support fundamentals. This manual does not dictate procedures for any particular operational scenario, nor does it provide specific system procedures for HR enablers. It provides the doctrinal base for developing operation plans (OPLANS) and standing operating procedures (SOPs). Leaders and HR operators at all levels must apply these fundamentals using Army planning and decision making processes. This publication is an authoritative guide that requires judgment in application. As the Army continues transformation to brigade-centric operations, HR support operations remain relevant and agile by capitalizing on technological advancements and system capabilities to provide timely and accurate information to commanders. These changes include how we are organized, how we are supported, and how we support other units. This approach allows HR providers to understand their responsibilities while executing traditional functions more responsively at lower unit levels. All previous functions remain intact, but have been consolidated into four HR core competencies that encompass all HR functions and tasks. The competencies are: Man the Force, Provide HR Services, Coordinate Personnel Support, and Conduct HR Planning and Operations. This change reflects a detailed analysis...
