Okechukwu, tall handsome and dashing was a 1st year law student in one of the premier universities in the Western part of Nigeria. Son to a highly decorated and top-ranking police officer, he unfortunately got himself entangled in cult-related antisocial activities through the intimate friendship he cultivated with a 2nd year law student named Justin, who happen to be a long standing cult member. After a horrendous cult-related tragedy befall his best friend Justin. Okechukwu saw his life fall apart at the seams, coupled with his inability to pass university tests and exams for reasons he could not explain, until his loving godfather George Obanye unraveled the mysteries to his exam woes. Deep Secrets - a mountain of mysteries - is all about Okechukwu's confessions to his godfather, Uncle George and the court proceedings that followed plus the tragic judgements of the court proceedings. This is a story that reveals the bitterness of wickedness and the sweetness and freedom of innocence. A horror story of the possible repercussions of cult-related activities and inspirational teachings against such delinquent behaviour, all garnished with a handsome collection of inspirational poems. An appropriate novel for all youths and students that will help steer them in the right directions.
