Independent Institute,U.S., United States, 2016. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The relationship among the federal government, the states, and parents with regard to education is increasingly dysfunctional. Parental control over their children s education has gained impressive momentum in recent years at the state level. Meanwhile, states have been increasingly willing to relinquish sovereignty over education in exchange for more federal dollars. Failure would help bring clarity to these issues by examining whether students and the country better off after 30 years with the Department of Education and suggesting alternatives to an ever-expanding federal education bureaucracy. Part I would begin by examining the development of the current Department of Education, including the legislation that gave rise to it, and the pressure groups that have shaped it. Additional chapters would examine related issues including the arguments for and against the creation of a national education department, its origin, current structure, spending, and growth over time. Part II would examine the results to date against the education department s own standards. These include overall student achievement nationally before and after the advent of the Department of Education as well as international comparisons of U.S. student achievement. Outcomes of some of the largest Department of Education programs would also be considered in this section, along with some of the lesser-known department programs and initiatives. Part III would examine truly federal alternatives to the current tug-of-war between the national and state governments in light of the growing parental-choice movement. Included in this section would be chapters examining a strict-constitutionalist model, which denies any federal authority in education. Another alternative model examined would be the National Bureau of Education model, inspired by the original 1867 precursor to the current Department of Education, whose primary mission was...
