Broadman Holman Publishers, United States, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. Fifteen years ago, Shawn Johnson was a suicidal drug abuser working in Hollywood. He wondered if God could ever be a part of his broken life. To his surprise, finding God was not that difficult. But, growing closer to Him was another story.Three weeks after giving his life to God, he relapsed, and almost over-dosed. He wanted to be closer to God, but he just had no idea how to get there. As a result, his faith eventually floundered. He didn t know what steps he should be taking to move closer to God. Embracing spiritual disciplines such as prayer, Bible study, healthy relationships, sharing his testimony, serving, and giving was a foreign concept to him; and therefore, out of reach. At Red Rocks, he regularly encounters people who (like him) have had mountaintop experiences with God, but then crashed and burned because they had no idea how to move closer to Him. Time and time again, he has seen that his post-conversion experience is not an anomaly.Shawn remembers what it was like to feel dazed and confused after a dramatic life transformation. He also knows how easy it is for long-time believers to fall into spiritual ruts where complacency, disillusionment, and frustration are the norm. In Transit, Shawn shares his personal journey in growing closer to God, uncovering disciplines that were critical to that journey, and invites each of us to ignite (or re-ignite)...
