### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Annick Press. Paperback / softback. Book Condition: new. BRAND NEW, A Trip with Grandma, Ruth Ohi, Ruth Ohi, "An overnight outing is first-rate fun with this grandparent" Sprout loves his grandma. He also likes trucks, trains and seeing new places. But when Grandma invites him and big sister Clara on a car trip, Sprout is nervous. After all, he's never slept away from Mom and Dad before. Soon they're on the road passing big rigs, at a restaurant with dancing chickens, and checking into a real hotel. Every step of the way Grandma suggests they call home to report their adventures. That night, Grandma snores bring back Sprout's doubts about traveling, until he musters his courage and finds a solution. Grandma agrees that joining her in bed is a great idea -- he'll be her personal early-warning snore reporter. By morning the trio are refreshed and ready to visit the tallest-ever trees in the world. With so much to see, and such a cool chaperone, this trip with Grandma doesn't make Sprout so nervous after all. It's fast-moving fun in this insightful story of first fears and reassuring families.
