The At Home With First Skills pack contains fun activity workbooks for children, aged 3-5 years, to do at home. Using different themes and a variety of progressive tasks such as filling in missing letters and numbers, tracing, matching, and colouring, children develop knowledge and understanding of the alphabet, numbers, colour, shape and size in a fun and easy way. The colour illustrations, highlighted words and step-by-step activities are age-appropriate for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough fun stickers to reward your child as they complete each activity! This pack is ideal to build confidence in literacy and numeracy at primary school.
