Many have heard the word but have never taken the time to find out what salvation is really all about. What is it to be saved, and what is it that one is saved from? And for that matter, how does one get saved and is salvation really necessary? Do I need it? These questions are often the first to be asked when the issue of salvation is raised but seldom, if ever, do they receive answers that are compatible with what the Word of God says. Many people take the following approach to things religious : I believe that religion is ok for some people but personally I don t have a need for it. I don t see anything that wrong with my life. The True Christian Faith is not a religion, nor is it primarily a lifestyle. anybody can change their lifestyle, reform and become a new person whether they get involved in religion or not. Christianity is all about a Message, God s Message - God s Gospel.
