Brand New Book ***** Print on Demand *****.She may survive the war . . .but only if a mysterious enemy doesn't kill her at home. With the Civil War threatening the citizens of Macon, Georgia, young Caroline Hannah is forced to leave her studies at Wesleyan Female College. When she arrives at Looking Glass Plantation to live with her mother's cousins, she instantly senses peculiar tensions in the family. Cousin Sophronia is welcoming, but Cousin Penelope clearly doesn't want Caroline there. Why? Is Penelope capable of channeling her disapproval into threats, violence, even murder? She had not stumbled and fallen into the press. She had been pushed. Trembling violently, Caroline relived that instant. She had discounted all of the things that had happened since she came to Looking Glass Plantation. But there was no discounting those hands. Someone was determined to kill her....
