Oxford University Press. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 7.6in. x 5.0in. x 0.9in. First published in 1894, the story of the diva Trilby OFerrall and her mentor, Svengali, has entered the mythology of that period alongside Dracula and Sherlock Holmes. Immensely popular for years, the novel led to a hit play, a series of popular films, Trilby products from hats to ice-cream, and streets in Florida named after characters in the book. The setting reflects Du Mauriers bohemian years as an art student in Paris before he went to London to make a career in journalism. A celebrated caricaturist for Punch magazine, Du Mauriers drawings for the novel--of which his most significant are included here--form a large part of its appeal. About the Series: For over 100 years Oxford Worlds Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxfords commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
