But we also face major challenges with China. Our trade deficit with China, as you well know, last year alone was 162 billion. Part of that deficit is because the Chinese do not always play by the rules. If confirmed, I will work closely with Congress and my administration colleagues to see that our workers, farmers, and service providers are treated fairly. Specifically, I will focus on stopping Chinese pirating of U. S. intellectual property, rolling back Chinas industrial policies that exclude our products, expanding market access for our goods and services, and realizing Chinas full implementation of its commitments on transparency and distribution rights for American products. As the committee is aware, the Treasury Department has...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
