CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 144 pages. Dimensions: 8.0in. x 5.2in. x 0.3in. More and more people are becoming concerned about where the world is heading. The global financial situation is teetering on the edge of collapse with the developed world at unsustainable and un-payable debt levels. Banks and markets are doing well only because governments, particularly the U. S. , are printing money like there is no tomorrow. At the same time the Arab Spring uprisings are spreading so fast through the Muslim world that they are poised to start world war. Violence is on the rise: personal, civil, political, religious, national and international. Even non-religious people are wondering what is going to happen with the United States of America. This item ships from La Vergne, TN. Paperback.
