# WILDLIFE FILMS

University of Pennsylvania Press. Paperback. Book Condition: new. BRAND NEW, Wildlife Films, Derek Bouse, If, as many argue, movies and television have become Western culture's premier storytelling media, so too have they become, for most members of society, the primary source of encounters with the natural world—particularly wild animals. The television fare offered nightly by national and cable networks such as PBS and the Discovery Channel provides millions of viewers with their only experience of the wilderness and its inhabitants....

## Reviews

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
