Is your life so organized that you feel totally restless underneath the perfection? Or are you confronted with lots of challenges that seem, at times, overwhelming? Whatever your situation might be, know that the universe is always on your side, and be brave to change your status quo. Have faith that there is always a way out and a plethora of divine guidance available to you. You might consult an oracle or a psychic or visit a healer. You might learn how to pay attention to an omen. You might attend a workshop to get back in touch with the innate abilities we all were born with. Take a leap of faith and move ahead on the road to expansion and ultimately, wholeness. Only then can you find true happiness and joy.
