*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## GETTING AMERICA RIGHT: THE TRUE CONSERVATIVE VALUES OUR NATION NEEDS TODAY (PAPERBACK)

Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Updated ed.. 231 x 155 mm. Language: English . Brand New Book. Where did we take a wrong turn? That s what proud conservatives are asking. The era of liberal dominance is finally over, but sometimes you wouldn t know it. Government spending is out of control, huge waves of illegal immigration endanger our security and our American identity, more and more Americans look to Washington for the quick fix, the government grabs for more power at the expense of our liberty, American businesses are fleeing overseas, and terrorism threatens us more than ever. How do we deal with these crises when our leaders refuse to? By following Edwin J. Feulner and Doug Wilson s unique and practical six-point plan: specific steps that every one of us can take to put America back on course. As conservative leaders--Feulner as president of the nation s preeminent think tank, The Heritage Foundation; Wilson as chairman of America s leading conservative news and community website, --the authors know that what will rescue us now are the things that have always made this nation great: free enterprise, limited government, individual freedom, traditional American values, a strong national defense, and the rule of law. We must demand accountability and a return to our core principles. Getting America Right reveals: - Stunning real-world examples of government run amok, and how it hurts you - The politicians who are selling out, and the brave souls who are fighting for what s right - How to restore fiscal discipline among Washington s pork-addicted pols--Feulner and Wilson identify ridiculous programs we should slash now - The blueprint for getting the federal government out of our way and out of our pockets - The threats Washington is ignoring, and...
