Single Global Currency Association, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. This 2014 Edition of THE SINGLE GLOBAL CURRENCY - COMMON CENTS FOR THE WORLD is the fifth book of this name, and it updates the text of the original 2006 edition. The 2007, 2008 and 2009 editions included the original edition together with an annual update appendix. Future editions are planned in five year increments for 2019 and 2024, the latter date being the 80th anniversary of the 1944 Bretton Woods Conference. The book is for all readers around the world, as every human being in our increasingly globalized world has an interest in achieving the goal of a Single Global Currency. What the people of the world want and deserve is stable money, so that the money they earn, save and invest today will be worth almost the same tomorrow. The Single Global Currency will provide that stability. It is the common cents/sense currency for our increasingly globalized world. The current multicurrency global monetary system is volatile and extremely risky as \$5.3 trillion worth of currencies are traded every trading day on the global foreign exchange markets. Currencies crises are a continuing threat. Avoiding the effects and risks of currency fluctuations and rapid flows of cross-currency capital were the primary goals of the International Monetary Fund at its 1945 creation, and the Single Global Currency will solve both problems. The Single Global Currency will be managed by a Global Central Bank within a Global Monetary Union. Since 1999, the primary model for this 3-G system has been the euro which is managed by the European Central Bank within the European Monetary Union. Beginning with 12 member countries, the eurozone now has 18 members and...
