Brand New Book ***** Print on Demand *****.What is it like in that church across the street? When that church is Protestant and the person asking the question is a Roman Catholic, this question can be very hard to answer. In this book Bob LaRochelle will list for you the key beliefs and practices that distinguish Protestants from Roman Catholics. But this book is not just a catalog of differences and similarities. He approaches this topic with a serious interest in dialog, in learning from one another, and in ecumenical outreach. This book is intended for any Christian, but it will be especially useful to parents in multi-faith households, to church congregations with an interest in Christian community, and to religious education programs.
