By Paul Turner

But where do these ideas stem from? When we cast judgement over someone we do not know, what determines how we look at them? Follow Paul Turner as he shares his own personal journey of discovery through the help of mentoring. It's a Beautiful Day explores the ways in which people can bring out the best in themselves, their family and those around them. Preconceived ideas of oneself and others are normally based around prejudice and stereotyping, and are often the cause for poor outcomes in people and society. This book examines the source of this perception and offers ways to break through years of negative input in our lives. Recognising that change in society goes beyond our governments and the money they spend on programs to improve life, this book looks at ways to utilise peoples' potentials and set them on their own paths of discovery. Delve in and learn the ways in which you can look at yourself and the people around you in a new and positive way.
