

Reading Jackie: Her Autobiography in Books

Filesize: 1.24 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

(Mallory Kertzmann V)

Nan A. Talese, 2010. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "William Kuhn reveals the Jackie I knew as a person and professional: serious, smart, intuitive about ideas and aesthetics, but also down to earth in the sense of understanding the potential audience for a book. In Reading Jackie I learned so much about her I didn't know, and Kuhn tells the story with such flowing grace of phrase and structure. A splendid work." -Bill Moyers "Jackie appears (as she was) a well-liked, respected colleague, often slyly funny and not given to showboating . Seeing Jackie kneeling on her office floor going through page layouts gives us a new image to keep that myth alive . If we're going to have a myth, why not one with her nose in a book?" - The Washington Post "Unexpectedly and intelligently dishy In the end, this is quite a fascinating portrait of a complex woman, who had the interests and enthusiasms of her class and was allowed to indulge those passions with singular force and focus." - The Boston Globe "A revealing, readable, and insightful book. Readers of biographies of iconic figures will eat this up . Kuhn's respectful approach would probably have met with Onassis's approval." - Library Journal "A clever, surprisingly substantial take on the life of Jaqueline Onassis . Both respectful and scintillating." - Kirkus Reviews "Kuhn describes in fascinating detail the final third of Jackie's life and argues persuasively that the books she edited or helped bring to publication shed light on her inner life, forming an autobiography of sorts . Kuhn's originality of research is striking. Many of his interviews were conducted with Jackie's colleagues, authors and friends, and they often provided him with fresh and intriguing details about her..."
