Franklin Watts, Danbury, Connecticut, U.S.A., 1989. Hardcover. Book Condition: New. Dust Jacket Condition: New. 284 pages. From Publishers Weekly: Friedman, a former Teamsters' boss who was imprisoned for embezzlement, was a self-styled "slugger," con man, arsonist and, on the face of it, is now an unregenerate ex-criminal. This tough-talking "as told to," written with Schwarz, author of *Delorean*, is a self-glorifying expose of the Teamsters' union, its internal power struggles and reported ties to the Mafia. Friedman maintains that in 1980 he gave Edwin Meese a suitcase filled with money for Ronald Reagan; he boasts of the Teamsters' domination of White House labor policy under Reagan; he discloses that the mob had a death contract out on his nephew, Jackie Presser, who died of cancer in 1988. He admires Jimmy Hoffa's "charisma" and reports on extortion rackets, car bombs, gambling, gun-running to Cuba and various scams while intermittently asserting that he is a friend of the union rank-and-file. 50, 000 first printing; \$75, 000 ad/promo. Copyright 1989 Reed Business Information, Inc. From Library Journal With the help of writer Schwarz, Friedman provides an inside look at the Teamsters. Friedman, brother-in-law of Bill Presser, worked with Bill and Jackie Presser to help form the Teamsters in the 1950s. If you believe that the Teamsters union has been synonymous with violence and corruption, this book will reinforce that belief. The book is chronologically disjointed and provides a litany of names and their associated crimes, which will leave many readers wondering who is who among the vast array of characters. There is little analysis but much description of arson, bombings, theft, and scams. Not recommended. -Jane M. Kathman, Coll. of St. Benedict, St. Joseph, Minn.
